

ROATAN

Turquoise Bay Resort

October 26 – November 2, 2019

Trip Leader: John Buano

Roatan is the largest of the Bay Islands off Honduras and is surrounded by the world's second largest barrier reef. Tucked away on Roatan's northeast shore, Turquoise Bay Resort is set on a hillside with spectacular ocean views of its protected bay and beautifully manicured white sand beach. Due to its remote location, uncrowded and pristine dive sites are just minutes away. Kayaking, stand up paddle boards, horseback riding and lounging by the pool are popular diversions.

Subway Watersports will be our on-site dive operator. They are famous for valet diving, small dive groups and shore-based surface intervals. This is one of the healthiest dive locations in the Caribbean due to the conservation efforts of the local dive community and the Roatan Marine Park. Dive sites vary from gently sloping plateaus, sheer walls, wrecks, trenches, crevices, overhangs and cavern systems.
